As you all know, there are so many games in the Android store and lots of them are running smoothly without any issues. If you are on any of the popular android devices like Samsung, LG, Huawei, ZTE and other Android devices then you can easily play games on your device. However, there are some issues like popups and advertisements in games are annoying. So, we have listed some of the best Android game changers that you should try on your Android device, like Magic Orb, Genius Robots and many more. Magic Orb is an addictive Puzzle game. It has 2 gameplay modes which is Classic and Turbo mode. In Classic mode, you are required to solve the puzzle by matching the 3 or more same colored orbs. In Turbo mode, you are required to complete the puzzle within a limited time. You can also compare your scores with other players by saving it to your profile. Genius Robots is another one of the best android game changers. This game will not only help you to solve puzzles but also improves your brain and help you to improve your problem solving skills. In this game, you are required to complete the puzzle by moving the blue and red robots on the right track to reach the target. If you are looking for a fun and addictive game then you should give Play or Die a try. In this game, you need to reach the target before the time is up. You have to avoid the moving obstacles while you are moving to the target. You can also choose from different difficulty levels to make the game more interesting and challenging. If you want to get updates about future games and get your hands on those games as they are released you can register yourself with Gameloft.
