Things have been a little stressed out lately. I've been working too hard (but making way too much money, that's nice), reading for review and enjoying life. I even spent a couple of hours writing an article that will appear in a magazine out of the port city I'm living in. What's it called? A magazine?8 F.3d 817 NOTICE: Fourth Circuit I.O.P. 36.6 states that citation of unpublished dispositions is disfavored except for establishing res judicata, estoppel, or the law of the case and requires service of copies of cited unpublished dispositions of the Fourth Circuit.James A. Use the following links to get the free or premium stock images, animated gifs and vector shapes you need: The process of creating a logo may seem a difficult one but it can be made simple and fast with a little bit of practice and planning. See how to make a logo with Adobe Illustrator... PROCESS STEP 1 Think of a simple and impressive logo for your brand. In our example, we have used a circle as a symbol for life. STEP 2 Create a simple design with the help of Adobe Illustrator. We have gone for a circle filled with simple colors. STEP 3 Select the entire canvas and then use the rectangle tool (M) to create the circle. STEP 4 Create a new color group and fill it with blue and white. Select both of the groups (A) and copy and paste them to create the circle filled with 2 colors. STEP 5 Select both of the groups again (A) and drag them above the new rectangle shape (B). This will create a new shape of the circle with 2 colors. STEP 6 Using the Rectangle tool (M) create another shape by dragging the existing shape. Select the new shape again and fill it with the same color as the previous rectangle. STEP 7 Now the logo is almost done. To make
