Features Key:

Quest Stories & Achievements - In a quest story, action unfolds as you play the game by taking in the world of Elden Online. During the action, the game tracks the state of your party and the goals or objectives of the boss, and gives you a notification for missions and achievements.
A Selection of Upcoming Features - We are currently in the middle of our internal, and ultimately public beta testing. Upcoming features include the Leap Attack system, addition of new magic, and class customization, among others.
A Stunning Art Design - The graphics are in full 3D, with the shadows and lighting effects having been carefully optimized, granting a vastly improved graphics quality. The new backgrounds are in the process of being added and currently we are enjoying the thrill of the deep autumn: the cedars of Lion's Peak, the path of Moonlit Plains...
A Powerful Yet Balanced Combat System - The combat system emphasizes a strategic sense of gameplay while having an impressive action feel for newcomers. With Sword Light Attack and Sword Bursting Attack, you can change your attack style mid-battle.
A powerful Discipline System - You are a member of an elite guild. At the heart of your guild there is a Discipline Tree, and your guild is attached to a number of Disciplines and you gain experience by working on them. You can freely change between the disciplines you want to use and increase your proficiency rate, and through the accumulation of experience you increase your guild's guild ranking.
Pawns - Not only do you use your own pawns to fight with in battle, but we also implemented pawns from other guilds. Therefore, you can take advantage of the best guilds whenever you battle with them.
Customization - We understand that you want to feel like you're the protagonist of the story. You can change the appearance and skills of your character freely, and even enjoy the background with the new landscapes.

This game gives people an open landscape, a land of untouched beauty, where one can enjoy the excitement of exploring and fighting. Perhaps, as the sun sets, even you yourself

Xenoblade Chronicles 2 is an action RPG which looks to improve on prior titles with a more fluid combat system and a nostalgic take on the genre. There is a certain amount of mystery to the game, however many information of the game is already out there. Nintendo did a Q&A and comments regarding Xenoblade Chronicles 2 to give us a better idea of what is coming in the game. This article came out a while ago, but we are finally getting to the meat of the matter with regards to the Wii U version. What can we expect to see next in Xenoblade Chronicles 2? The answers given by Takashi Tachikawa, Director and Kazushiro Nojima, artist, were straight to the point. Comments hey, I thought I had lost the link about the friendly battle? (except the picture was lost) I can't find the site and would love for someone to get it or help me out. Here is the article about it though... Xenoblade Chronicles X is the tenth main entry in the Xenoblade series, released in Japan on April 1, 2016 for the Wii U. It is slated to release in North America on September 26, 2016.[1]The game is a bridge between the first and second installments in the series. It takes place on Mira and focuses on Shulk and his friends looking for friends who can repair the Mira. Xenoblade Chronicles X was developed by Monolith Soft with assistance from Nintendo. Story Players take on the role of Shulk as he explores the twisting forest of Mira, searching for his
