“The game is fantastic, and everything you could wish for, including the characters that are very well designed, the anime-like animation, and the art is an absolute revelation.” “I cannot recommend this game as high as possible because it does not only attract you with the overall game itself, but rather it also attracts you with the characters. The voice acting is amazingly done, the characters are all brilliant and diverse, and the story is very well told through very good flashbacks.” “I always need to save the game as soon as I do not want to lose my place. I highly recommend it to everyone who wants to enjoy a beautiful fantasy world like the one in this game. ” “The game is amazing, it's art is very nice and there are characters who really play the role. The video is extremely good, but the game is in English, and it's really interesting to see very large anime voice actors that speak in English, where it's really a bit more than what you usually see. I think the game is perfect, it's a recommendation for everyone who has so many fun.” “I love the game. It's also very colorful and has a good fighting system. The characters are so cute, and the story is pleasant, and the anime style is fantastic.” “I fell in love with the characters, they look so beautiful. The story is so amazing, and the game is unique in many ways.” “I highly recommend this game. The characters are extremely adorable and the story was amazing.” “I love everything about this game, especially the characters. The characters are so cute that I can't wait to return.” “I liked the story and the characters, and I love how the story is told through flashbacks.” “The characters are very good. It is very cute, and there are even certain parts that I find a little too cute.” “The anime style animation is so fantastic, the characters are really cute, and the story is very touching.” “I really like the anime style animation. I think it's very nice, and the characters are super cute.” “I like the game bff6bb2d33
