- A Unique RPG Where You Can Customize Your Character A Tarnished Knight is a fantasy action RPG where you can freely customize your character to your liking. In the game, you can choose the appearance, armaments, and skills to be equipped. As you customize, you will develop your character's form, strength, and the speed at which you use magic. - A Play Style That Creates an Epic Adventure In addition to creating and customizing your character, you can freely build a town that you can freely expand. Battles with other monsters and human opponents start in this town. If you succeed in defeating them, you can collect their equipment and visit the other towns. This allows you to play with all sorts of weapons and armor. - A Rich and Fantasy Story A Tarnished Knight, born and raised in the Lands Between, is a powerful and sorrowful being who became a servant to the Ring. The Elden Lord, a descendant of the great wizard Redcliffe, instructed his descendant to keep the Ring for a long time. And thus the feud between the two rings has begun. If you can defeat the Dragon Emperor, the mighty enemy of the Elden Ring, and receive the blessing of the Alduin, the Guardian of the Lands Between, then the Lands Between can only be at peace for all eternity.

ALKAYTEEZ™, ALFAIRYDAN A girl in her late 20s, AKAYTEEZ is a living legend in the fantasy gaming world. She created the MODA game series, and is working on a new, exciting game called The 8th Voyage. For an unrequited love, she has been mourning the loss of her childhood friend ALFAIRYDAN. However, after the completion of a tower made out of dreams and the death of the Dream Goblin who lived there, the world has gained a new energy. This time, she has an unfulfilled desire that must be completed. An RPG, travel adventure, or adventure game where the different perspectives of the characters are combined. Now we're presenting you a story that is made up of shards. Features: 1. Actions and Responses as One Actions that lead to different responses by the other party members. If you want to say something important, then pay attention to the reactions of those that are in front of you. 2. The Moment When You Meet Reality Em

Versus Actva has been using the magic-attack method since the beginning of the Duel Monsters arc. Raiding a level-5 Incubator is a great way to set up your magic-attack and you cannot be seen by AI units from the Seed Corps or Trials dungeon.

It is suggested that you keep two copies of the Dungeons in your home where these Seeds and Raids are. These are not required since they can be updated through auto updates.
