It's far better than Ubuntu and runs faster than most other operating systems. This free operating system is safe and. Free Download For iFreeBSD.Why is A CEO in such a great mood one morning that he's willing to treat everyone? I have this boss at my shop. It's a small, artisan-friendly, handmade deigner. People are fascinated by my boss, and they even tell me I should go to work for him. Everything is moving wonderfully right now. In just a couple of months, we've expanded our site, we've rented a room in the local community center, and we've purchased a truck that will give us new ways to move in the future. We're expanding, but we also want to make sure we're doing the right thing. So this CEO decides to spend the day today with each one of his employees, and he's in a great mood. He invites each person to stop by the office, brings them food, and just chats with them as though they are his best friend. When he gets to me, he asks how my family is. When I reply that everything's great, he says "I love my sons so much." Then he tells me he also wants to go get a haircut. So we get on the road, and I say, "Thanks for asking, it's nice of you to take the time to do this." When we arrive, he pulls over in front of a barbershop and I say, "I'll get out and wait,
