Serial Key Download**

5. For other licensed computers (other than the one on which the Software is sold), Licensee may copy the License and the Software only so many times as is needed to install and use it in the ordinary course of business in the

jurisdiction in which the Licensee uses it.

There shall be a separate license for each type of computer on which the Licensee uses the Software.

10When you buy a license key for Virus Scanner, you must install the software on your system. If you believe that this license was not

activated by you,
please contact our
support. Payment you
can transfer via
paypal. You may buy
the Virus Scanner,
download the
software, and install it
directly to your
computer. But we
recommend that you
download Virus
Scanner @ and save it
to a disc, and transfer

the license key to the
Virus Scanner @
software that you
have installed. 3.If you
have a computer that
is set to accept
updates automatically,
then you can
download and install
the software, make a
copy of the virus
scanner software on
your computer, and
transfer the license

key to the Virus
Scanner @ software.
12.2 The Licensee
may extract the
source code from the
Software and use it if
the Licensee is a
licensed user of a
development
environment. Any
such extracted source
code shall remain the
exclusive property of
the Licensor. The

Licensee may change or modify the extracted source code and create derived versions of it. The Licensee may modify the Software to achieve compatibility with its installation on systems, including compatibility with document technology. The Licensee may not in any other way

modify, transform or
reproduce the
Software or any part
of it in any other way.
