Command & Conquer: Red Alert 2: Yuri's Revenge | PC Game | PC-Games |. Red Alert 2: Yuri's Revenge is a Free game for PC. Command & Conquer: Red Alert 2: Yuri's Revenge has been released on May 23, 2003 for PC &.I've been working on the last two chapters of The Firebrand's Daughter—the one that introduces the new world into the story—and now I'm thinking about the series as a whole. What should the end be like? What message should it impart? I want to show all of what I've learned about writing this series, and I want to go into the same territory that Erik Miller did with his novel, Winter's Heart, and I had a lot of aha moments while writing Winter's Heart. To start, I have to say that I've never written a fantasy book before. Never. I learned a few years ago how to write fiction, but never a fantasy book. Even if I wrote a fantasy novel, I don't know how to write a happy ending. I'm taking lessons from Winter's Heart, where even though Erik Miller got what he was looking for (happiness for him and his family), his main character still had to face consequences from his actions. The problem with endings in stories is that a lot of people say the end of the story is where the real story is. I've found that's not true. The real story starts from the beginning, not the end. In writing Winter's Heart, I spent a great deal of time on the false endings, and I think if I had spent as much time on the real endings, I could have made Winter's Heart a much better book. Even when the stakes are
